

# Find the star bake!

Choose one of the bakes below as the star bake and don't tell anyone. Whoever guesses it correctly will win the prize!

1. Choose a winning square on the front page – make sure you keep it a secret!
2. We suggest players donate a minimum of £2 to pick a square, but a donation isn't necessary to take part.
3. Decide what the winning prize will be: a donated prize, a favour, or some of the money collected.
4. When a person claims and pays for a square, they must write their name below it. When all the squares have been selected and the money is in, you can announce the winner.
5. Once you have given out the prize, all the remaining money will count towards your fundraising total.
