

## Microscope Ball Volunteer

*Muscular Dystrophy UK is a charity that connects a community of more than 110,000 people living with one of over 60 muscle wasting and weakening conditions, and all the people around them. So everyone can get the healthcare, support and treatments needed to feel good, mentally and physically.*

**Role title:** Microscope Ball Volunteer

**Location:** Hilton Park Lane, London, W1K 1BE

**Department:** Events

Volunteers would need to be available in the evening (5pm – 11pm) on Thursday 25 September 2025.

### How you will make a difference

You'll be supporting us to raise as much as possible at our evening events this autumn. Volunteers will assist with fundraising, from selling raffle tickets to collecting donations from guests. We could not put on these events without the support of volunteers, so we hope you'll join us!

### What you'll get out of the role:

- Help Muscular Dystrophy UK to raise vital funds to support those living with muscle wasting and weakening conditions
- Experience in event organisation and the opportunity to enhance your CV by supporting a range of different events
- Meet new people, and work as part of a fun team

### What you'll be doing:

- Selling raffle tickets to guests throughout the evening
- You'll act as a table host, supporting guests with bidding on the silent auction and encouraging them to take part in fundraising games on the night

- Supporting our auctioneer in the live auction by acting as bid spotters around the room

**What you'll bring:**

- Enthusiasm and a positive attitude. Prior events experience would be welcomed but is not required
- Confidence – you'll need to be comfortable with talking to new people and asking for donations in a friendly and professional manner
- Reliability – we'll need you to be on time

- free food and refreshments during the evening
- insurance cover, while volunteering, under MDUK's public liability insurance
