PARTICIPATE IN MG VOICE RESEARCH

4 Simple Steps - All From Home

Help us understand fatigue in generalised Myasthenia Gravis — using your voice, on your smartphone or laptop.

Fully Remote Study

1

STEP 1

Register Interest

Complete a simple online form; it takes just a few minutes.

2

STEP 2

Complete Consent & Questionnaires

Complete consent and a few online questionnaires at your own pace.

3

STEP 3

Participate

16 brief sessions over 4 weeks on your smartphone or device of choice (~15 mins each).

4

STEP 4

Get Compensated

Receive compensation for your time and participation.
