

# ARE YOU A YOUNG ADULT AGED 18-25 LIVING WITH A COMPLEX HEALTH CONDITION?

## We want to hear from you!

We're looking for young adults to take part in a 1-hour interview to help test a new health questionnaire

### Who can take part?

— Young adults aged 18-25

— Living with a complex health condition such as cancer, muscle weakening conditions, cystic fibrosis and cerebral palsy

### What's involved?

#### Answer some questions about you

(E.g. age, gender, what health condition you have, etc.)

#### Take part in a 1-hour interview

- You can choose to do this online or in-person
- Talk with us while you fill in the questionnaire
- We'll ask what the questions mean to you, and why you chose each answer
- The conversation will be audio and video recorded

### What are the benefits?

As a thank you, you will receive a £25 voucher after the interview
